## Our Preserve

Buckeye Whitetail Quest's hunting preserve is located among the rolling hills of southern Ohio and encompasses 125 acres of woodland, wood draws, wooded creek line and farm fields.

Within the preserve you will have the opportunity to pursue some of the finest trophy whitetail deer available, scoring from 130" to 300"+ (SCI). These impressive bucks have either grown up in the preserve or have been stocked from our intensively managed breeding program.

## Lodging

You will feel right at home during your time with Buckeye Whitetail Quest. Our lodge has all the amenities you'll need; including a deluxe kitchen, spacious living and sleeping quarters, satellite TV and a high speed internet connection.

Between morning and afternoon hunts, hunters can return to the lodge to get a meal and relax or just hang out at our base camp cabin.
